THE SICK ARE MADE WELL,

And the Weak are Restored to Full Vigor and Strength at the Hands of the Greatest Healer of Modern Times.

Are You Sick?

Have you any pain or ache or weakness? Does your blood show that it contains impurities? Are you nervous? Do you lack energy and activity of mind and body? Are you easily tired? Have you lost ambition? Is there any unnatural drain upon the system? Is every organ performing its proper function? In Other Words: Are you a Perfectly Strong, Active, Vigorous, Healthy, Happy Man or Woman?

If not, you should not delay one day before you consult a specialist, one to whom the human body is open book and who understands every phase of weakness and disease and to whom the proper treatment for a cure is as simple as the adding of a column of figures.

Wrecks of humanity have come to him for consultation and medicines, who a few months later have returned to him in most vigorous health to give him their thanks.

All Diseases Cured. Dr. Hathaway treats all diseases those peculiar to men and those peculiar to women, as well as Coughs, Rheumatism, Kidney Complaints, Eczema and all forms of Lacerating and chronic disorders.

Varicocele and Stricture. Dr. Hathaway's success in the treatment of Varicocele and Stricture without the aid of knife or cauter is phenomenal. The patient is treated by this method at his own home without pain or loss of time from business. This is the only treatment which cures without operation. Dr. Hathaway calls the particular attention of sufferers from Varicocele and Stricture to his new book which will be sent free on application.

A MODEST REQUEST

George Mackay Prefers Little Liver Pills to Little Baldwin Wills

Editor Star: Will you do the readers of the Star the kindness to fill in the space occasionally given "L. Willie" with some patent medicine ad? Any old thing will be more interesting. Any one knowing Little Willie knows also that unless he has been bought by a pass, five, four, three, two, one or even half a cent a line, is because he never has had an offer. Let Willie alone. The fact, if actually true, that Jacksonville and its little Metropolis has had to resort to purchasing little country squibs of this kind to crow for her and furnish copy for the little Met., is sufficient evidence of her hopelessness.

I notice that the Honorable Frank Clark, who has prosecuted Jacksonville with success, is now engaged on another murder case in Ocala. Sincerely yours,
George Mackay.

CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of the disease may develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip

or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Mrs. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there is now no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you; it is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.

THE JUDGE'S MOTHER

Mrs. Smith had a paper to write for her club. The subject she had chosen was, "How can women uplift the coming generation?" She was puzzled to choose the best of the many ways which suggested themselves to her. Should it be through art, lecturing, literature, or general reform? She considered her difficulty to old Judge Adams, who was sitting with her husband on the veranda, and the Youth's Companion repeats the conversation that followed.

"I can only give you my experience," he said. "I was one of five brothers. All were men who exercised a strong influence in the world, and each one of us owed his bent and force of character to our mother."

"Our father died when we were children. Mother made us what we were. Until we were gray-haired men we went to her whenever we were in perplexity. 'Mother,' we would say, 'what is the right thing to do in this case?' She knew nothing of law or politics, but she always knew the right. I think," said the Judge, gravely, "that my mother influenced the next generation to her own more strongly than any other human being I have ever known."

"She, no doubt, had a powerful mind and a broad education?" asked Mrs. Smith.

"No." The Judge smiled. "She got her hold on us in very simple ways. I remember one of them. When we came home from school on cold days, mother was sure to be waiting beside a big fire. She was a plump little woman, with merry blue eyes. Off came our wet shoes and stockings; she rubbed the cold feet warm with her own hands. Then there was always a huge brown jug waiting before the fire, with roasted apples and sugar and hot water in it, and each one had his mug of the delicious stuff; and we sat and grew warm, and joked, and laughed, and, no doubt, opened our little hearts to the dear, wise woman."

"All day long she was our comrade. Nobody came so close to us as she. We carried to her all our secrets and miseries when we were men, as we had done when we were boys. Two of us were ministers, two legislators who helped to form the laws of new states, but I doubt if one of us ever took an important step in life without being influenced by the opinion of that one good woman."

Mrs. Smith looked uncertainly at her paper, on which she had scribbled artists' lectures, civil and political reformers.

"You think, then," she said, "that woman's strongest hold upon the world is at home, through love and a Christian life?"

The Judge's eyes twinkled. "I can tell you only what I know. I can't decide for the world," he said.

GLORIOUS NEWS

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Garrett & Gerig, Ocala, Fla., and all other druggists.

FOR MOTHERS.

The period immediately following child-birth is fraught with many dangers. The strength has been used in the painful ordeal through which the mother has passed and she finds herself helpless and weakened. Many mothers, like Mrs. Ford, date the beginning of their illness from the birth of their child. Indeed the frequent spectacle of a healthy young woman becoming a chronic invalid after motherhood is one of the tragedies of life. All this is unnecessary, when Wine of Cardui is obtainable. It rehabilitates the shattered nervous system, strengthens the organs and ligaments, and re-establishes a healthy, natural condition, saving years of chronic sickness and suffering. Wine of Cardui taken just before confinement will render the ordeal comparatively painless. It will re-enforce and strengthen the organs for their work. For every trying crisis in a woman's life, Wine of Cardui is the medicine to take. Ask your druggist for Wine of Cardui and take no substitute. If one is offered send \$1.00 for a bottle to the Chattanooga Medicine Company, Chattanooga, Tenn.

WINE OF CARDUI

Clarkson, Ark., July 20, 1899.
After my baby was born I took the whites and falling of the womb, and was in a very dangerous condition. I read one of your home treatment books, and commenced to treat myself with Wine of Cardui and Black-Draught. I am thankful for what the medicine did for me, and I am now in better health than I have been for a long time.
